

# 2026 KERALYN FRAZER MEMORIAL CLASSIC

3<sup>rd</sup> May

Catherine Bradley (VIC), Susan Gorst (VIC)  
& Nikki Chivers (WA)

The Ultimate Partbred Thoroughbred Classic has continued in its 4<sup>th</sup> year running as the Keralyn Frazer Memorial Classic as the final part of the ridden program. The prize money this year has been generously sponsored by the team at Bruce Avery Transport.

These classics are always held with the memory of show horse competitor and breeder Keralyn Frazer in our minds. This year all competitors received a white commemorative lapel to wear on their jackets in memory of Keralyn. We thank everyone for taking part in this lovely gesture that was gifted by Austen Borsi & Leonie Morrone.

“Keralyn Frazer was a remarkable horsewoman, there wouldn’t be many horse people in Western Australia that wouldn’t know her name. A breeder of some phenomenal horses, from show jumpers, endurance horses and show horses, Keralyn certainly knew how to breed, produce and show to the best of her and the horses ability. Multiple horse of the year winner, multiple Perth Royal Show supreme winner and winner of countless supreme of supremes and garlands. Keralyn won the very first supreme for a Partbred Thoroughbred at Gosnell’s Breed Show. Keralyn’s turnout of horses was second-to-none and was always commented on by judges, they could always tell if Keralyn had plaited a horse in the show ring. From her secret hot oil spray she made, to her rug repairs and her breeding goals, Keralyn always gave one hundred percent. Keralyn sadly passed in November 2022, she may no longer be here in person, but she was with us in spirit and her legacy lives, I hope everyone took a moment to remember this remarkable horsewoman no longer with us during a special class in her honour, “The Keralyn Frazer Memorial Classic.” Kind words by close friend, Austen Borsi.

We thank the team at Bruce Avery Transport for supporting our event and giving our competitors an event like this to attend. This class could not be held without the sponsorship and support that we receive.

Please head over to the ‘Dual Code’ page to see the results and photos from the earlier classes that were also run at this:

## RESULTS
