## **STANDARD BRED & THOROUGHBRED** **DRESSAGE CHAMPIONSHIPS WRITE UP**

With the unfortunate cancellation of the initial Standardbred Dressage Championships due to weather, it was decided that this would be a great event for our Off The Track community and to include a section for Thoroughbreds.

Competitors and organisers were very lucky with the perfect weather we received on the day. Despite a mid-day shower, this seemed to be welcomed as it settled the dust and kept the flies at bay. The 2 watchful eyes of our judges, Denise Barker & Liz Tollarzo overlooked the arenas providing encouraging feedback on test sheets which many competitors appreciated in preparation for their second test.

Standardbreds had the option of a Walk Trot section, Prep/Prelim section (for our up-and-coming canter horses) along with a more experienced canter Prelim section. Our Thoroughbreds were able to choose from a Prep section, Prelim section and Novice. All the above sections consisted of 2 dressage tests which there were placing ribbons from 1<sup>st</sup> to 6<sup>th</sup> on offer and this then gave us a combined score for our Champion and Reserve Champion of each section. The Champion and Reserve Champions walked away with stunning Sashes and a Cash Prize, sponsored by Off The Track WA.

In addition to the above, there were a few more awards on offer. The committee decided that 2 Sportsmanship awards would be given out to those that displayed courtesy, kindness and were respectful to not only their horses but our officials, other competitors and organising committee. Bec from Pimp My Pony attended the day with her shop on wheels, which was a highlight for competitors especially for those who needed a last minute bridle number or a pair of gloves. Bec kindly donated 2 vouchers that went to our Best Presented Standardbred & Thoroughbred competitors.

Thank you to all competitors for attending our Championship event and for Off The Track & Pimp My Pony for their support and sponsorship.
