STANDARD BRED, THOROUGHBRED & PARTBRED DRESSAGE CHAMPIONSHIPS WRITE UP

With the success of last years championships, we decided to expand again this year and open up a section for Partbred Thoroughbreds. With a full draw of 40 competitors, we were in for a busy day with each combinations riding 2 tests to secure their championship score.

We weren't presented with the best conditions leading up to the event with rain but aside from a downpour early Sunday morning and a few light rains during the day, we couldn't have got any more perfect weather for this time of year.

Our judges Heidi Emery & Tracy Hockley were the perfect fit for this competition with lots of raving reviews from competitors about their kindness, compassion and understanding of the breeds presented.

Standardbreds had the option of a Walk Trot section, Prep/Prelim section (for our up-and-coming canter horses) along with a more experienced canter Prelim section. Our Thoroughbreds and Partbred Tbs were able to choose from a Prep section, Prelim section and Novice. All the above sections consisted of 2 dressage tests which there were placing ribbons from 1st to 6th on offer and this then gave us a combined score for our Champion and Reserve Champion of each section. The Champions walked away with a beautiful rosette and cash prize and our Reserve Champions received a stunning sash and a cash prize. Please see each of our generous sponsors above.

In addition to the above, there were a few more awards on offer. Bec from Pimp My Pony attended the event and kindly provided 4 vouchers which we used for 2 Sportmanship awards that would be given out to those that displayed courtesy, kindness and were respectful to not only their horses but our officials, other competitors and organising committee, a Best Presented award chosen by our judge Heidi Emery and a competitor draw award from all entries received. Please see above for our winners names.

Thank you to all competitors for attending our Championship event, all our helpers who ensured the day ran smoothly and for Off The Track WA, WASBA, Adina Park, Outram Park Equestrian, SPPHAWA & Pimp My Pony for their support and sponsorship.
